Description (Min. 100 words)

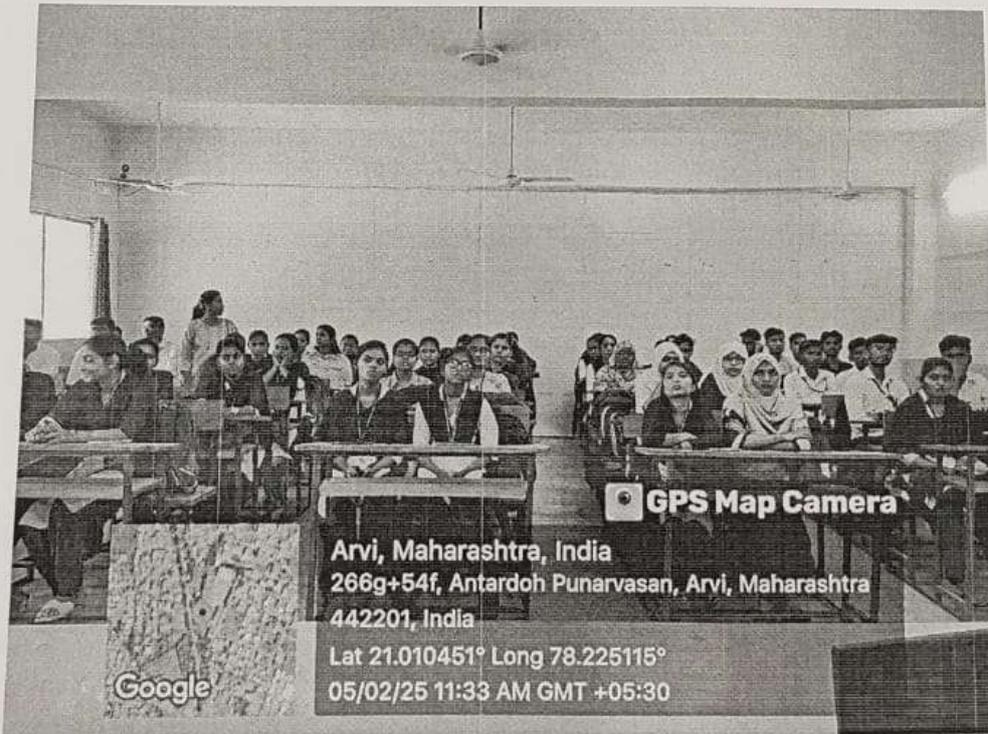

On 5th February 2025 Career Counselling and Placement Cell of Arts, Commerce and Science College, Arvi organised placement drive for the students of computer science. Kiran Academy, Pune in collaboration with Arts, Commerce and Science College organized this one day placement and training CSR drive. In this drive 62 students were given training, out of which two students were from Nabira Mahavidyalaya, Katol and remaining 60 students were from Arts, Commerce and Science College, Arvi. Students were given Aptitude Test, group discussion, computer coding and finally selected students' interview were taken. After the rigorous screening 6 students were selected finally. Out of these students 3 students from B.Sc. and 3 Students from M.Sc. computer science were selected. These students will be given training and appointment by Kiran Academy, Pune.

For the successful organisation of this program Dr. Amar Sote, Prof. Shailesh Khandare, Prof. Monali Wankhade and Karishma madam from Computer department took efforts and made the computer science lab available for students. Dr. Anup Gumble, coordinator of career counselling and placement cell helped to co-ordinate the event. Dr. Niraj Kendhe and Dr. Pawan Thakare guided the students for interview techniques and coding.
