Brief Report :

Student seminar competition was organized by Zoology Department on 25th April 2023. There are about 12 students participated in the competition. The student selected the topic for seminar of their choice of interest. The student demonstrated their seminar using simple Blackboard presentation. They tried their level best to explain their topic up to the depth of their knowledge. It was a very motivating activity for the students which developed confidence, communication skill and stage daring. The seminar competition is organized very year in the Dept. in the view to make students bold, active and creative. The students were valued by the examiner Dr. Vijaya Y. Muley (HOD of ZOOLOGY DEPT.). The Result declared by Dr. M. S. Bhoyar (Assit. Prof. of Zoology Dept) and Programme was concluded with proposed vote of thanks by Miss.Yogini Vaidya (B.Sc. I Year).
